

EMMANUEL U. SALAZAR

Software / SQL /ERP Developer

639272505725

Emmanuelusalazar568@gmail.com

With 15+ years working as a professional software developer using client-server technology such as PowerBuilder 7, 9 and 12, ASP.Net, C#, VB, Clipper and FoxPro.

Has strong analytical, problem-solving skills and ability to troubleshoot problems in a timely manner.

Has good understanding of data modeling, Entity-Relationship Diagrams (ERD) and documentations.

Demonstrated excellent knowledge and skills with relational database management (RDBMS) systems and SQL (MS SQL 7/2000/2005/2008,2012,2014, Sybase Adaptive Server SQL, Oracle SQL, MySQL). Training in Basic SAP Business One, Advance SAP Business One, PL/SQL Oracle
Has Web Application Development experience using ASP.net, PHP, Dreamweaver and Wordpress.

Designed, developed and implemented customized solutions for the following companies: SLAI System for PCGSLAI, Coop System for PCEMPC, RB System for RB Hermosa, Lending System for GLEH, Enrollment System for Calamba Doctors College, Payroll of DTI4a, Board of Investments & GLEH Lending , POS for Kapandesal Cafe. With excellent proficiency in written and spoken English.

EDUCATION & CERTIFICATIONS

SAP Business One F1 Advance Training Course, March 2010
Conducted by <http://www.fasttrackph.com> Valero Tower, Makati City, Philippines

SAP Business One – Basic Training Course, Jan 2010
Conducted by <http://itc.up.edu.ph> UP Diliman, Quezon City, Philippines

Developer 2000, Oracle 8 Training (40 Hours), Oct. 1999
Conducted by Core Staff Technology Consulting Corp., 2F EL Tower Bldg. 444 Edsa, Guadalupe, Makati

PowerBuilder 6 Training (40 Hours), Oct. 1999
Sponsored by Kargo Bayan Inc., NAIA Complex, Philippines

Course Taken: B.S. Computer Science (Finished all major subjects)
College Graduate: N (Finished All Major Subjects)
Last Year Attended 1994
School Attended: Laguna College of Business and Arts <http://www.lcba.edu.ph/>
Thesis: Account Manager, A Simple Accounting System using Clipper

Course Taken: B.S. Agricultural Engineering
College Graduate: Y
Last Year Attended: 1992
School Attended: University of the Philippines at Los Baños, <http://www.uplb.edu.ph/>
Thesis: Rainfall Analysis using Microcomputers

PROFESSIONAL EXPERIENCE

Dates: March 2018 to April 2018 (on call and used up to present)

Name of Company: **Emmanuel Salazar Computer Services** <https://www.facebook.com/escs2016/>

Position: Powerbuilder Developer / IT Consultant

Job Roles and Responsibilities:

- Developer for : <https://www.facebook.com/tagcomhospcorp>
- Designed and develop for Tagbilaran Community Hospital Payroll
- Teach users on how to use and backup /restore database

The screenshot shows a payroll application window titled 'Payroll'. It features a menu bar with options like '1 New Payroll', 'Print All Payslip', 'Pay Register', etc. The main area displays a payroll slip for an employee in the ACCOUNTING department. The slip includes a table of earnings and deductions, and a final net pay calculation.

Update

Dates: Jan 2016 to April 2016 (On Monthly Maintenance Fee up to present)

Name of Company: **Emmanuel Salazar Computer Services** <https://www.facebook.com/escs2016/>

Position: Powerbuilder Developer / IT Consultant

Job Roles and Responsibilities:

- Developer: <https://www.facebook.com/Gleh-Financial-Solution-Corporation-491002201056100>
- Designed and develop for Gleh Lending (Head Office Tagbilaran and 11 Branches)
- Teach users on how to use and backup /restore database

The screenshot displays a 'New Loan Entry' form for a borrower named ROSALINA SALABIT. The interface includes a top navigation bar with tabs for Loan Applications, Loan Charges, Amort. Sched., Loan Policy, CV Details, CV Header, Loan Ledger, and Loan Summary. The borrower's details are entered as follows: First Name (ROSALINA), Last Name (SALABIT), Branch (TAGBILARAN BRANCH), Loan Status (CURRENT), and Posted (N). The address is DATAG, DIMIAO, CHAR, with a collateral type of RASS and a collateral amount of 00. The loan terms are set to 1 month with a straight method. The interest rate is 00%. The date granted is 10/20/2021, and the maturity date is blank. The form is divided into several sections: 'TOTAL CHARGES' (C1-C4), 'DEDUCT FROM PRINCIPAL LOAN' (D1-D4), 'OTHER DEDUCTIONS' (E1-E3), 'NET LOAN PROCEEDS' (F), and 'INCLUDE IN MONTHLY AMORTIZATION' (G1-G3). The bottom of the form features a grid of buttons for actions such as 'Compute Loan', 'Disclosure Statement', 'Edit Last Check No.', 'Process Loan', 'Forwarded Loan', 'Post/Unpost', 'Real Estate Details', 'Print Loan Documents', 'Print CV', 'Print Check', 'User Document Number', 'Delete Unposted Loan', and 'Print Loan Ledger'. A note at the bottom states: 'Note: Fields with * can still be edited after posting of loan.'

Dates: Jan 2014 to May 2015 (on call and used up to present)

Name of Company: **Emmanuel Salazar Computer Services** <https://www.facebook.com/escs2016/>

Position: Powerbuilder Developer / IT Consultant

Job Roles and Responsibilities:

<https://www.facebook.com/p/Pasig-City-Employees-Multi-Purpose-Cooperative-Pcempc-100064830785265/>

- Pasig City Employees Muli Purpose Cooperative (PCEMPC)

- Designed and develop a Coopsystem running on a local windows server using MS SQL 2008.

Responsible for the database structure, normalization of tables. Table designs where based on their existing excel coop worksheet.

The screenshot displays the ESCS Coop System 1.0 interface. The main window is titled "Pasig City Employees Multi-Purpose Cooperative" and shows a "New Loan Entry" form for member ANTHONY T. ABAD. The form includes fields for Memcode (1), Member Status (ACTIVE), Birthday (01/01/1992), Age (23.2), CS (S), and Loan Type (CASUAL). It also shows a "Monthly Amortization" table with columns for interest, service fee, and total finance charges. The table data is as follows:

Monthly Amortization			
1.1 Interest	.00 %	0.00	0.00
1.2 Service Fee	3.00 %	0.00	0.00
A. Total Finance Charges:			0.00

The interface also shows a "Process Loan" section with buttons for "3. Process Loan", "4.1 Disclosure Statement Half", "4.12 Print Loan Summary", "7. Edit CV", "Payment Slip", "Over Payment Slip", "Delete Unposted Loan", "Post/Unpost", "Delete Previous '000' Loan", "Print Loan Ledger", and "Print Loan Application".

Dates: Jan 2012 to Dec 2013 (on call and used up to present)

Name of Company: **Emmanuel Salazar Computer Services** <https://www.facebook.com/escs2016/>

Position: Powerbuilder Developer / IT Consultant

Job Roles and Responsibilities:

- Developer: ESCS SLAI System for PCGSLAI <http://pcgslai.com.ph/> Philippine Coastguard Savings and Loans Association, Inc.
- Design the screen and reports for the modules needed to handle all transactions from Membership, Savings and Capital Contributions of Members, to Loan Release and Payments. Database used is MS SQL 2008 R2.
- Teach users on how to use and backup /restore database
